Race Packet Pick-up & Registration

Early packet pickup will be available on Saturday before the race from 10:00am to 2:00pm at Sports Basement's Campbell location at 1875 S Bascom Ave Suite 240, Campbell, CA 95008

We highly recommend attending the Saturday packet pickup to avoid long lines on race morning, plus, Sport Basement will have a discount coupon to use in store for all attendees!

Requirements:

- ID/ Passport, with name matching your registration
- Race packets must be picked up by the runner

Race packet includes:

- **Runner BIB** is mandatory for all race distances.
- **Chip Timing Tag and holding wristband** mandatory for all race distances.
- **Swag:** Sponsors discounts, product samples

If you are unable to pick up your race packet on Friday, your race packet will be available at the Start Line (**Sanborn County Park**) up to 15 minutes before your start time. Please consider arriving early to avoid delays and queuing. *THERE IS NO PARKING AT THE VENUE. PLEASE RIDE THE SHUTTLE. SEE SHUTTLE SECTION FOR DETAILS*

If there are still spots available, on-site registration will be available during packet pickup on Saturday and Sunday.

Parking and Shuttles

All racers are required to ride the shuttle to the start.

There will be a remote parking lot and shuttles to the start/finish area for all racers. In prior years we have been able to park 50k and Half Marathon racers onsite, but due to park construction there will be no onsite parking for racers this year.

Parking location is at **West Valley College, Parking Lot 5, 14000 Fruitvale Ave, Saratoga, CA 95070.**

Use this Google Map link for the specific location of Parking Lot 5: [Lot 5 Location](#)

From the parking area it is a 15 minute shuttle ride to the start. Please allow ample time for parking, a short wait for a shuttle, and the ride to the start. We recommend arriving at the parking lot 90 minutes prior to your race start time.

All racers are required to use the shuttle to reach the start/finish area, or to arrange to be dropped off in a personal vehicle or taxi/Uber. The parking lot at the start/finish area is unavailable for race participants, and Park Police will be stationed at the entrance of the park to turn participants around. The offsite parking location is a short, 15 minute shuttle from the start/finish area, but if you arrive late and attempt to park at the start/finish area, you will be redirected to the offsite lot and risk missing your start time.

The first shuttle will depart at **5:30am** and the last shuttle will depart at **10:45am**. After the race shuttles will drive from the finish area back to the parking lot on a rolling schedule.

Course Information - ***UPDATED 8/17/2026***

- COURSE IS SUBJECT TO MODIFICATIONS LEADING TO RACE DATE -
- COURSE IS SUBJECT TO LAND AGENCY PERMIT APPROVAL -

Sanborn County Park is home to well-groomed but steep and challenging trails, making it a great challenge for runners of all abilities.

Situated on the eastern slopes of the Santa Cruz Mountains and home to giant coastal redwood groves, the park is shaded and relatively temperate even in the hotter months, making it a local favorite for hikers, runners, and mountain bikers. Racers can expect big climbs and descents with good footing on flowy singletrack trails through dense forest.

You can navigate the interactive race maps at our official website [here](#).

The 10K course will see a net gain/loss of 1,805'

The Half Marathon course will see a net gain/loss of 3,017'

The 50K course will see a net gain/loss of 6,344'

Aid Stations and Cutoffs ***UPDATED 8/17/26***

Our goal with our intermediate cutoff times is to allow runners to stay on the course as long as possible. Note that the pace required to make it to the finish line cutoff is faster than the pace required to beat the prior cutoffs. Beating the cutoff for one of the early aid stations is not an indication that you are on pace to beat the overall cutoff.

Drop Policy

If it turns out not to be your day and you are unable to complete the race, ***you may drop at the nearest aid station by surrendering your race bib to the aid station captain.*** Transportation will be provided to transfer you back to the finish line.

We have taken extensive measures to account for all runners that are on course and those dropped from the race. Course Marshals or any other staff/volunteer members are **NOT** authorized to record any dropped participants.

****** DO NOT exit the course without notifying our staff if you decided to drop. Failure to do so may result in dispatching search and rescue personnel to locate you. You will be responsible for such expenses. ******

Crew

Crew for 50k runners may spectate and offer assistance to their runners only in the start/finish transition area between laps on the 50k course. No other aid stations are accessible by crew. All crew are required to take the shuttle from the offsite parking location (see Parking and Shuttles section). There will be no onsite parking allowed for racers or spectators/crew

Bag Check/Drop Bags

There are no on-course drop bags. There will be a transition area between laps for 50k runners, and they are welcome to leave items in that transition area for access mid-race. There will also be a bag check location at the start/finish area where all racers can leave items to be picked up after the race.

Clean Race Policy

Our race will take place in two beautiful parks. One of the key factors for success is maintaining the magnificent scenery surrounding the race. Local residents, tourists and all users are responsible for preserving this place. For this reason, ***littering along the race course is grounds for immediate disqualification. NO EXCEPTION.*** It is our responsibility to have a clean race.

Trash and recycling receptacles are available at all aid stations.
